Green Lake County Sheriff Mark Podoll says,

“The time has come.”

Green Lake County Community,

The time has come.

I will not be seeking re-election and I plan to retire at the end of the term effective January 4, 2027. After serving Green Lake County as Sheriff for the last 20 years and a 44 years total in law enforcement, the time has come.

The support of the Green Lake County community has been incredible over the course of my career. I expect that community support to continue for the next generation of law enforcement, and I expect law enforcement to continue to strengthen that community bond.

It is time to start a new chapter in my life. I have accomplished many goals. The most important of which was the desire to build a Sheriff's Office that was respected by the citizens of Green Lake County. I will continue to serve as your Sheriff faithfully and diligently until my last day, building the foundation as strong as possible for the next generation of law enforcement in Green Lake County.

Respectfully
